## Abedeem Academy Daily Learning Time

Here is a refresher of the learning time at Abedeem for the morning session. The **Hudan Lil Muttaqin** Programme runs in the morning from 7:30am to 8:45am.

Missing the Hudan Lil Muttaqin Programme will mean that they will lose a total of 6 hours and 15 minutes of learning the Quran/Iqra' and Islamic Studies.

This programme focuses on student's ability to read and master the language of Al-Quran. Further to that, students learn to understand its meaning as the guide to life.

As an international school, Abedeneese learn Islamic Studies in English using curriculums from Darussalam for the Primary students and IGCSE Cambridge Islamiyat for Secondary students.

## 2018 UPSR/PT3/SPM Examination

Insyallah, three Year 6 students will be sitting for their UPSR examination from 24<sup>th</sup> to 27<sup>th</sup> September 2018. They have been undergoing intensive classes since after the Eidul Fitr holiday with Expert Teachers who have a minimum of 5 years experience grading the UPSR examination papers. We wish you all the best!

For the two PT3 students, they had just completed their trial examination. Meanwhile, our sole SPM candidate is scheduled to sit for their trial examination in October 2018.

**2018 Cambridge Checkpoint/IGCSE Examination**

The Cambridge checkpoint will be conducted in October 2018. For both Years 6 & 9 checkpoint candidates, they have been undergoing Drill and Practice sessions and we work very closely with Cambridge Assessment International Education to prepare them for the checkpoint.

The IGCSE examination student has been undergoing intensive classes since after the Eidul Fitr holiday with Expert Teachers.

We are pleased to announce that students at the Quran level have been attending Tarannum classes with Ustaz Mohammad Rozie Mohd Rejab since April 2018. Selected students begin attending **Advanced Tarannum** classes with renowned Quran reciter, Ustazah Normalina Alias this month. She is the winner of the International Tilawah competition in 2017. InsyaAllah, more students will join this class as their Quran recitation skill improves.

**Mandarin Certificate**

Students are exposed to Mandarin from Year 1 but it remains an option. Students who are interested to further strengthen their mastery of the Mandarin language will sit for the HSK Mandarin Examination. Students around the world sit for this examination especially as an entry to enter universities in China.

**Cambridge Checkpoint & IGCSE Examination**

As a registered Cambridge centre, effective July 2018, Abedenese will sit for their

Checkpoint and IGCSE examination at Abedeen Academy.

The checkpoint is a diagnostic assessment of the student's proficiency of 3 subjects; English, Mathematics and Science. Up to Year 9, students put focus on enhancing their proficiency and understanding in these 3 subjects. Studying other subjects will not be necessary at this point. The checkpoint is conducted in Years 6 and 9 only and this assessment is **optional**. Neither Cambridge nor the academy produces a certificate for the checkpoint as this is an assessment. Upon entering Year 10, students will choose 6 subjects to study in preparation for their IGCSE examination. These subjects will include additional subjects such as Geography, History, Business Studies, Economics, Arabic-First Language, Biology, Chemistry, Physics, Additional Mathematics, Chinese-First Language, etc.

Thank you for being a part of the Abedeen family. If you have any feedback or suggestion, please feel free to get in touch via email.

Warm regards,
