## 2024 Highlights!

"Creativity Meets Science at October's STEM Exhibition"

Last October, AIS hosted an inspiring STEM Exhibition, showcasing students' innovative projects and scientific breakthroughs. From robotics demonstrations to conserving forests, the event highlighted the ingenuity of our young minds. Parents, teachers, and community members were amazed by the hands-on experiments, interactive exhibits, and creative problem-solving on display.

One standout project was OCEAN, which demonstrated life under the sea. The exhibition was a fantastic opportunity for students to share their passion for science, technology and engineering while fostering collaboration and critical thinking skills.

We are incredibly proud of our students' hard work and can't wait to see what they'll create next!

## Blue House Futsal Team Triumphs Despite Weather Challenges (Nov)

After facing delays and postponements due to bad weather, the Blue House Futsal team showed unwavering determination and skill, emerging victorious in their match. Their resilience and teamwork have made the entire school proud.

**Congratulations to the Blue House Futsal team for their hard-earned win!** ⚽

Winner: Blue House

- 1x Champion
- 2x Runner's-Up
- 1x 3rd Place
- 1x Best Goalkeeper

### AIS FEBRUARY

- ❖ Mock Exams IGCSE
- ❖ Library Lovers Day -Book & Character 21<sup>st</sup>
- ❖ Language Cafe Week 17-20

### MARCH

- ❖ Grand Iftar Abedeen
- ❖ 2<sup>nd</sup> Term Exams/Checkpoint Mocks

**Only a generation of readers will spawn a generation of writers.**

- Steven Spielberg

The exhibition not only highlighted the creative talents of our students but also served as a reminder of the values that bring us together as a community. From vibrant depictions of compassion and service to abstract interpretations of spiritual light, the displays left us in awe with the use of different techniques and the use of recyclable materials. Save the EARTH.

The event concluded with a special address and reflections on how art can be a powerful medium to convey timeless messages. It was truly a celebration of creativity, unity, and inspiration.

Thank you Art & Design Department!

## GUIDED BY HIS LIGHT, UNITED BY HIS MESSAGE

ART EXHIBITION (DECEMBER)

## NOW SHOWING!

### Celebrating Children's Day: A Magical Day with Movie Characters (DEC)

"Lights, Camera, Celebration! Movie Characters Bring Joy to Children's Day"

Last year's Children's Day was nothing short of magical, as students celebrated alongside their favorite movie characters. Themed costumes, lively performances, and interactive activities brought beloved characters to life, filling the day with excitement and laughter. From superheroes to animated icons, the event featured a parade of students and teachers dressed as their favorite characters, adding a colorful and whimsical touch to the celebration.

### UiTM Students Empower Financial Literacy at Abedeen through SULAM Program

UiTM students organized a transformative SULAM program for Abedeen Academy, focusing on critical thinking and decision-making through the lenses of Logos (Logic), Ethos (Credibility), and Pathos (Emotional Appeal).

Logos: The program addressed financial literacy and online scams with two key activities:

Cha-Ching Teen Edition: A financial simulation game teaching budgeting and investing.

Scam or Safe?: A game where students identify phishing emails and fake ads, fostering awareness and quick decision-making.

Ethos: Designed by nine Economics students from University Malaya, the program used real data and aligned with the Malaysia Education Blueprint 2015–2025, ensuring its credibility and relevance.

Pathos: The program used relatable scenarios to emotionally engage students, such as the personal impact of scams in "Scam or Safe?" and the satisfaction of building savings in Cha-Ching Teen Edition, inspiring better financial habits.

This initiative helped participants develop critical thinking skills to make informed decisions, leading to smarter financial choices and improved online safety.

## Quranic Wisdom

Narrated 'Abdullah bin 'Amr: that the Prophet (ﷺ) said:

"It shall be said – meaning to the one who memorized the Qur'an – 'Recite, and rise up, recite (melodiously) as you would recite in the world. For indeed your rank shall be at the last Ayah you recited.'"

Grade : Hasan (Darussalam)  
English reference: Jami` at-Tirmidhi Vol. 5, Book 42, Hadith 2914

## ANNUAL IHTIFAL- PRIVATE SCHOOL

# “Golden Soirée: Embrace the Journey”

Ihtifal Abedeen Private Schools;- our theme for 2024, "*Embrace the Journey*," serves as a powerful reminder of the value of growth and discovery. It encourages students, teachers, and the entire school community to focus on the learning experiences, challenges, and milestones that shape our paths, rather than just the end goal. Gracing the occasion was our CEO Mdm Qutren Nada Ahmad our guest of honor!

This philosophy aligns with our commitment to holistic education, fostering resilience, curiosity, and a love for lifelong learning. Whether in academics, extracurricular activities, or personal development, we believe every step of the journey is a chance to grow and shine.

Together, we celebrated the process and made 2024 a year of meaningful progress and success. Well done Private school!!!!

## A Journey of Dedication and Achievement by our batch of 2024 Abedeen Private Schools

# SPM 2024 HIGHLIGHTS

This is a pivotal moment in their academic journey, and we are proud of the effort and focus they've shown in preparing for these important exams.

As they headed into this final stretch, we encouraged all students to stay calm, focused, and positive. The entire school community is cheering for them, and we wish them the best of luck in their exams. May their efforts bring success and open doors to new opportunities!

In addition to academic preparation, we came together as a school community to support our students spiritually by organizing a Solat Hajat ceremony for their success.

This prayer session was a beautiful expression of faith and unity, as we collectively asked for guidance, strength, and success for all our students during their exams from Allah (SWT). May they succeed in all ventures!

## NOTES FROM THE ACADEMICS

### Empowering Students Through Digital Citizenship and Technology (Secondary)

Our school has embraced the responsibility of teaching Digital Citizenship to secondary students. This initiative equips learners with the skills to navigate the digital world responsibly, focusing on online safety, ethical behavior, and the importance of maintaining a positive digital footprint.

To further enhance the learning experience, we have introduced the use of devices in classrooms. Students now use their own devices in the classroom, fostering independence and accountability. They are encouraged to manage their devices responsibly, ensuring they are ready for educational tasks while maintaining their safety and security online. These tools are used to access resources, collaborate on projects, and explore interactive learning platforms, making education more engaging and accessible.

## OUR NEXT AREA OF FOCUS

In addition to integrating personal devices into the classroom, the school is preparing a state-of-the-art ICT lab to support students in IGCSE and other exams. Our 2025 batch of Grade 11 will sit for their FIRST ICT exam paper in school!

### OPEN NOW!!

We're thrilled to announce that the school library is open and ready to welcome students and staff. Perfect for exploring new worlds through books, researching for projects, or simply enjoying a quiet place to read.

Visit us and make the most of the resources available to support your learning journey!

*STAY TUNED FOR LIBRARY ACTIVITIES*

The Prefectorial Ceremony at AIS was a proud moment of recognition and celebration as our newly appointed prefects took their oath of service. This annual tradition highlights the values of leadership, responsibility, and dedication to the school community.

## PREFECTORIAL CEREMONY 2025

*Together We Develop World Leaders!!!!*

## WELCOMING OUR TEACHERS ON BOARD 2025!

## SENIOR TEACHERS @ AFTER IHTIFAL

Cambridge Insights Day 2024 - Representing Abedeen for the first time!!!

On 7th November 2024, representatives from our school attended the Cambridge Insights Day at Soka International School Malaysia. It was a fantastic opportunity to connect with fellow educators and gain valuable insights into the latest updates and strategies in Cambridge education.

## Representing Abedeen@ SOKA

### Quality Management and Training

Explorace Fun: Celebrating Our Teachers at Abedeen!

The final teacher training session of 2024 at Abedeen was filled with excitement as educators took part in a thrilling Explorace challenge! Teachers worked in teams, showcasing their teamwork, problem-solving skills, and enthusiasm through a series of fun and interactive activities.

This engaging activity not only strengthened bonds among teachers but also highlighted the spirit of collaboration and resilience that defines Abedeen educators. Well done to all participants for making learning fun and memorable!
