

SPM Examination 2025

Best wishes to all students of Abedeen Private Secondary School who are sitting for the SPM Examination at SMK Jalan Reko. This significant milestone marks the culmination of years of learning, discipline, perseverance, and unwavering commitment. As our students step into the examination hall, we pray that they are granted clarity of mind, calmness of heart, and strength in spirit.

May Allah ease every effort, bless every answer with accuracy, and reward their hard work with success and excellence. May this experience become a stepping stone towards a bright future filled with knowledge, wisdom, and meaningful contributions to the ummah and society. We wish all our candidates the very best—may their dedication lead to outstanding results and continued success in the years ahead. 🌟🌟

Abedeen Private Secondary School

Hudan Lil Muttaqin Programme

The **Hudan Lil Muttaqin Programme** is a meaningful daily routine that enriches our school mornings through **Al-Quran learning and recitation sessions**. This programme nurtures a deep love for the Al-Quran while strengthening students' understanding of Islamic teachings. Through consistent engagement with the words of Allah, students develop discipline, spiritual awareness, and noble character rooted in Islamic values.

More than a routine, Hudan Lil Muttaqin serves as a foundation for lifelong guidance, shaping hearts and minds with wisdom, humility, and righteousness. May these daily moments with the Al-Quran continue to bring divine blessings, tranquillity, and guidance to our school community. 🌟📖❤️

Abedeen Open Day!

The Abedeen Open Day warmly welcomed parents and prospective students to explore our school through registration sessions and guided school tours for both the International and Private Sections. This event provided an opportunity for families to learn more about our academic programmes, learning environment, and holistic approach to education.

Visitors were able to experience firsthand the vibrant school atmosphere, interact with our dedicated educators, and gain insights into how Abedeen nurtures academic excellence, character development, and faith-based values. We thank all parents and guests for their presence and interest, and we look forward to welcoming new members into the Abedeen community. 🌱🏡🌟

Student Council Training Programme

In November, the Discipline Department successfully conducted the Student Council Training Programme with the aim of empowering and strengthening student leadership within the school. This programme was thoughtfully designed to build confidence, clarify roles and responsibilities, and ensure that student leaders are well equipped to lead effectively throughout the school day.

The training began with Slot 1: "Speak to Lead, Stand to Inspire," which focused on developing confident communication skills among student leaders. The session guided students on using the appropriate tone when addressing others, speaking with clarity and authority, and applying basic crowd control techniques. This impactful session was expertly conducted by Teacher Ainul, who engaged students in practical and meaningful learning.

The programme continued with the Students' Council Journey slot, aimed at ensuring that all council members clearly understand their daily duties and responsibilities, from early morning routines until the end of the school session. This session was carried out smoothly and effectively by Teacher Aina and Ustaz Akmal, providing students with clear guidance and expectations for their leadership roles.

To further strengthen leadership skills, a Mock Assembly was conducted to enhance the prefects' ability to manage assemblies more effectively. The session also focused on empowering student emcees to lead with clearer instructions, improved organisation, and better crowd control, fostering confidence and professionalism in public settings.

We extend our heartfelt appreciation to all teachers and students involved in making this programme a meaningful and successful experience. May our student leaders continue to grow with confidence, responsibility, and integrity as they serve the school community. 🌟🏡🌱

Hajj Exploration Programme

The Hajj Exploration Programme at Abedeen Private Secondary School provided students with a meaningful and immersive learning experience to deepen their understanding of the sacred pilgrimage of Hajj. Through guided activities and interactive explanations, students explored the significance of each ritual, its spiritual meaning, and the values of patience, unity, and obedience embedded in this pillar of Islam.

This hands-on programme helped students connect Islamic teachings with real-life practice, nurturing appreciation, reflection, and spiritual awareness. May this experience inspire our students to carry the lessons of Hajj in their hearts and actions, shaping them into individuals of strong faith and noble character. 🌟🌟

Muhtadeen Play & Praise Trip – Wetland Putrajaya

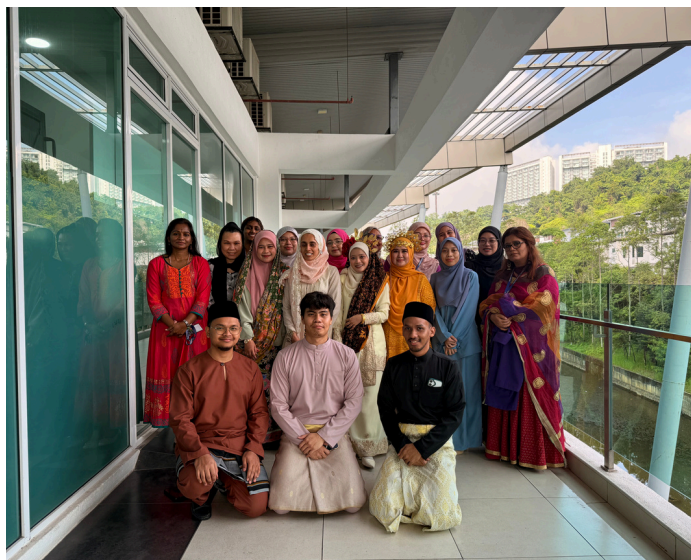

The Muhtadeen Play & Praise Trip to Wetland Putrajaya was a joyful and enriching outdoor learning experience for our primary students. Surrounded by nature, students engaged in fun, hands-on activities that encouraged exploration, teamwork, and appreciation of Allah's beautiful creation.

Through play, reflection, and guided praise, the trip nurtured curiosity, gratitude, and spiritual awareness in a relaxed and meaningful environment. It also provided students with valuable opportunities to learn beyond the classroom while strengthening friendships and positive character development.

We hope this memorable experience continues to inspire our young learners to learn, reflect, and grow with joy. 🌿🌻🌻

"The important thing is not to stop questioning. Curiosity has its own reason for existing." - [Albert Einstein](#)

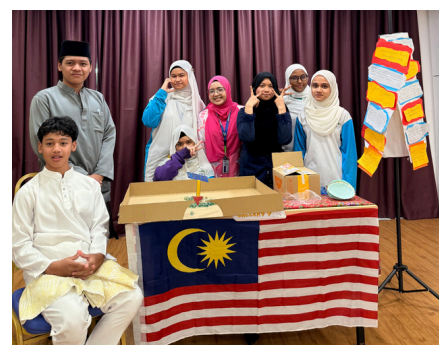

Global Perspectives Gallery Walk – Malaysian History

The International Secondary Section successfully organised a Global Perspectives Gallery Walk themed Malaysian History, transforming a Ministry of Education (MOE)–required content into a fun, engaging, and interactive learning experience. Instead of traditional classroom lessons, students explored history through a creative gallery walk that encouraged participation, collaboration, and active learning.

Adding colour and cultural pride to the event, students wore traditional Malaysian attire and took part in various traditional Malaysian games as part of the activities. Each class presented their assigned historical topic in imaginative ways, thoughtfully integrating traditional games into their presentations to bring history to life.

The enthusiasm and excitement were evident as students immersed themselves fully in the experience—so much so that many wished the event could continue longer. This gallery walk not only deepened their understanding of Malaysian history but also fostered a strong appreciation for Malaysia's rich heritage, making it a truly meaningful and memorable learning experience. 🇲🇾 🎮 🎨

ABEDEEN CHRONICLES

Children's Day Celebration

Our Children's Day Celebration was a joyful occasion dedicated to celebrating the laughter, innocence, and unique potential of every child. The day was filled with fun activities, smiles, and meaningful moments that created a lively and positive school atmosphere for our students.

Through games, shared experiences, and thoughtful engagement, the celebration reminded us of the importance of nurturing happiness, confidence, and a love for learning in our children. May our students continue to grow with joy, curiosity, and kindness, and may every day be filled with opportunities for them to shine. 🎈🌈🌟
